A Pandemic Punch we can do something about

Terwilliger Center Mall (SW Terwilliger Blvd at Taylors Ferry) has been hard hit by the Pandemic. Many businesses have closed. A bright spot is that new businesses have moved in and many of the existing businesses are seeing a gradual increase in customers.

Spread the word! It is vital that we support our local businesses This is something we can do for the community; something significant and good for everyone.

Classic Cleaners opened there in 1965, changed its name to Eco-Friendly **Crown Cleaners** in 2009. Starbucks left, and the pandemic lockdown kept people working from home (in their PJs, not in work clothes that need to be dry cleaned or a suit and tie), and Crown Cleaners' walk-in customers just disappeared.

Please think about cleaning those sleeping bags you camped in last summer and refreshing those sweaters, quilts and winter blankets so they are comforting to cozy up with during our cold nights. Deliver to Crown Cleaners for a rehab. Or, you can stay in your jammies! They have **free pickup and delivery**. Please call 503.246.7333 or 503.998.3640, cell.

Original Bark ("Complete Dog care since 2003") had seen a small drop in canine customers, from 40 dogs a day to 10-15 during the dog days of the pandemic (sorry about that), slowly picking up to 20-25 now. Young students from the Yellow Rose Dance Studio used to come by and say hello to the Day Care canines. **Original Bark** is open for all services, except self-wash, seven days a week. For doggie day care, exercise, dog hiking service and grooming, see www.originalbark.com or call 503.295.2275, ext 2.

The anchor establishment of Terwilliger Center Mall started life as Robbies. In 2002, the name changed to **Tryon Creek Grill & Sports Bar** (aka TCG). They were closed March to June 2020, then closed again November 2020 to February 2021. Their customer base is slowly recovering to about half of the pre-pandemic numbers. A pleasant atmosphere, plenty of sports screens, tasty pizza, generous servings of quality food (eat-in or take-out), and the added attraction of a heated outdoor smoking and non-smoking area make it the gathering place in the neighborhood. Full Life moved in to the Subway space five months ago. "Our mission is to provide meaningful services for adults with intellectual and developmental disabilities in order to support their contribution to the Portland community. We are Full Life, champions for people with potential."

Director Rachel Bloom (503.341.4352) founded Full Life in 1999. "Full Life is recognized as an award-winning model organization that helps close the job-gap and build community inclusion for people with disabilities...." Day programs are art-based, music-based and recreation and "...promote independence, encourage self-esteem and skills-building with person-centered group activities."

Tune in next month for more information on our other establishments open for business.
