Portland Harbor
Clean-up

Katy Daily of the National Environmental Trust discussed the Superfund site (since 1980) from Sawie Del to Swan Del. The EPA allotted fund of \$3.8 billion has shrunk. Katy wants neighborhood groups to reinstate 'Polluter Pays' tax at City Council meet wed (10th of Mar). So far 10 of 70 polluters have stepped forward to take responsibility. - many polluting organizations no longer in business. The Superfund tax was not renewed in 1996.

None - not a quorum. Not enough neighborhood notification for vote. There may be future chances for groups to make their voices known to elected officials.
